JNO. R. PHIPPS & Co. The address of Prof. A. F. Williams, of Bethel College, on Tuesday night of the Association, was filled with truth the Association, was filled with truth and important suggestions to young ladies and gentlemen. Among the many good things said was a warning 32-3t South Carrollton, Ky.

against cheap schools—they are really the dearest schools in the end. Such schools have a faculty composed of girls and boys, teaching for the purpose of paying their tuition while they are students. Student teach student!

Jennie, the little daughter of Mr. and Mrs. P. E. Thomas, was taken suddenly sick at Mr. Thomas' store Sunday evening. Medical aid was immediately summoned, but despite every effort which skill and affection could suggest, the little sufferer's eyes closed in death about ten o'clock that night. Dr. S. L. Berry, attending physician, says that her sickness was a congestive chill. We tender the grief-stricken parents our profound sympathy.

ren River Navigation Company in the pearance. way. What man in Congress has ever

usually followed by speakers on such occasions, but was entirely new, appropresent with universal commendation. He joined in the discussion on propointed chairman of the committee on Sunday schools, and his speech in behalf thereof was a masterly effort. Prof. W. P. Harvey, vice president of Georgetown College was present and heard it, and publicly pronounced it the best effort in behalf of Sunday schools that he had ever heard. Mr. Walker is a young member, but his influence in behalf of Christianity and moralist will be felt and acknowledged by the com-
